

Operational Workflows....Redefined

The mobile platform for automating farming workflows

Considerations

- Mobile devices
- Adoption: Field vs. Office
- Document management
- System integration

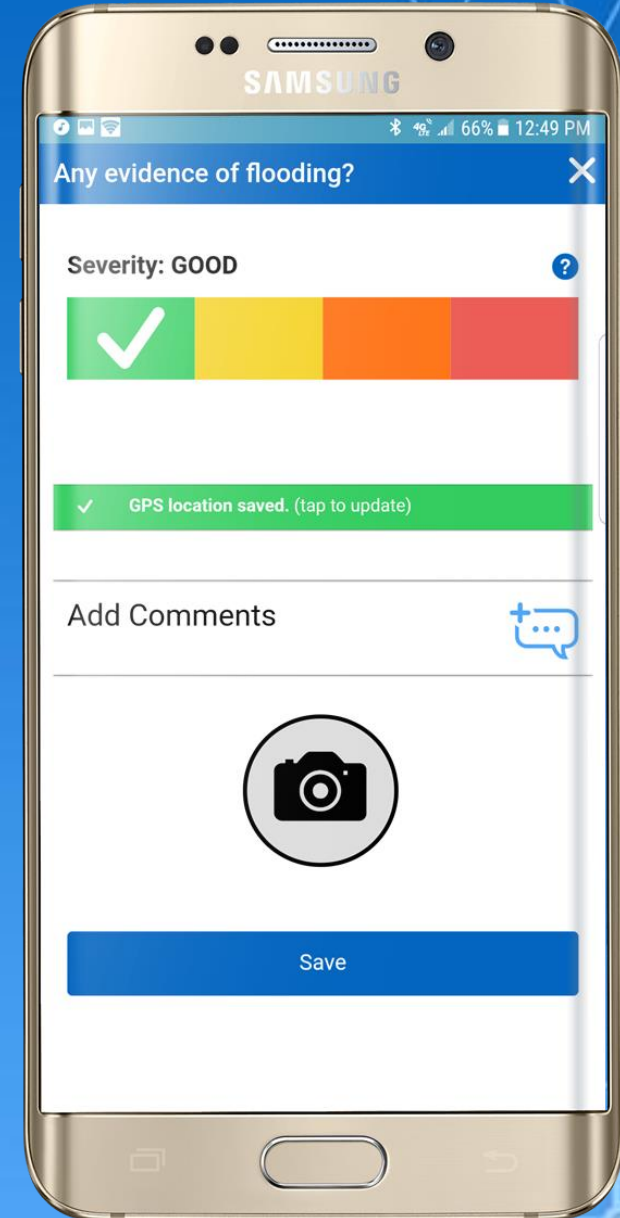

Old Challenges

- Ease-of-Use
- Data Sync
- Cost

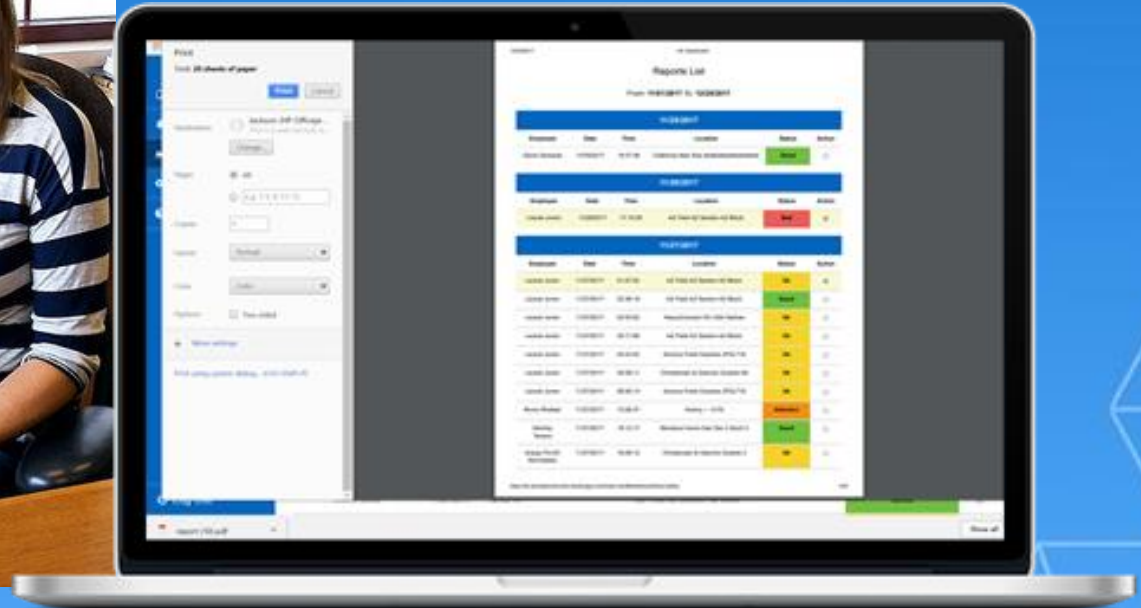

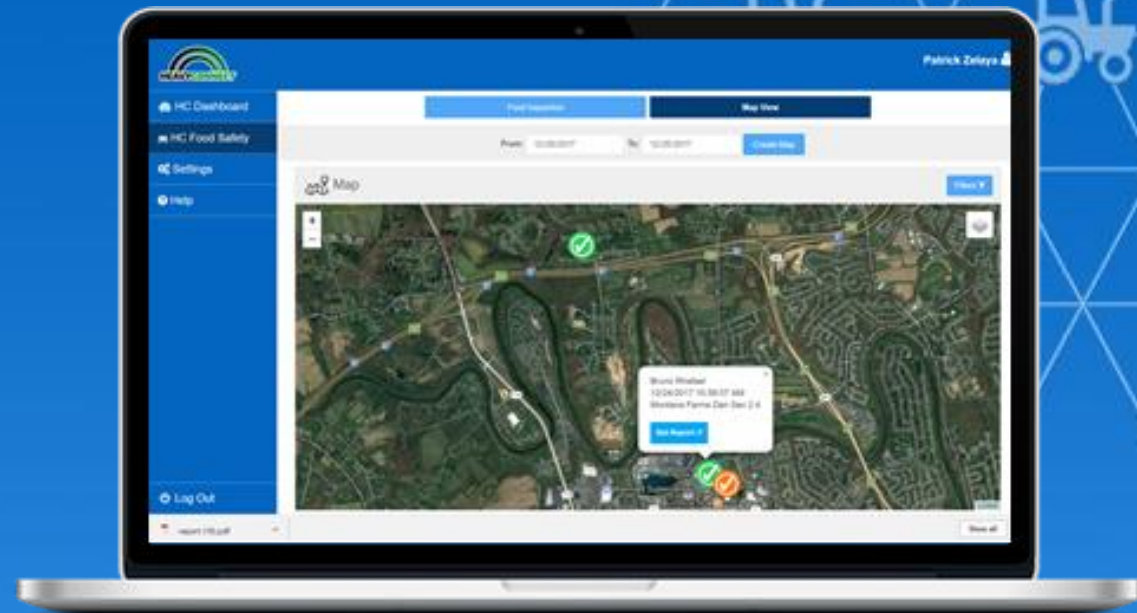

Benefits

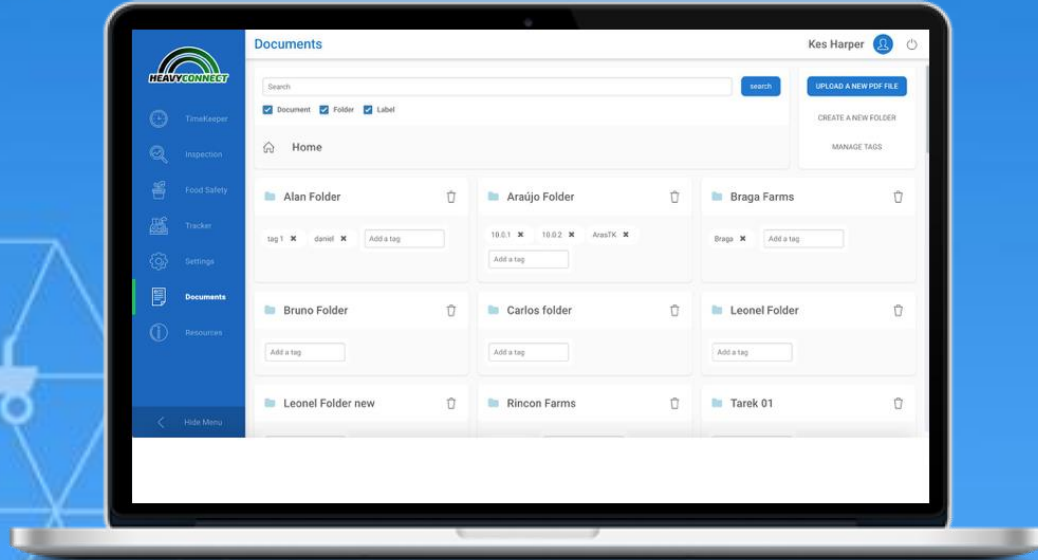

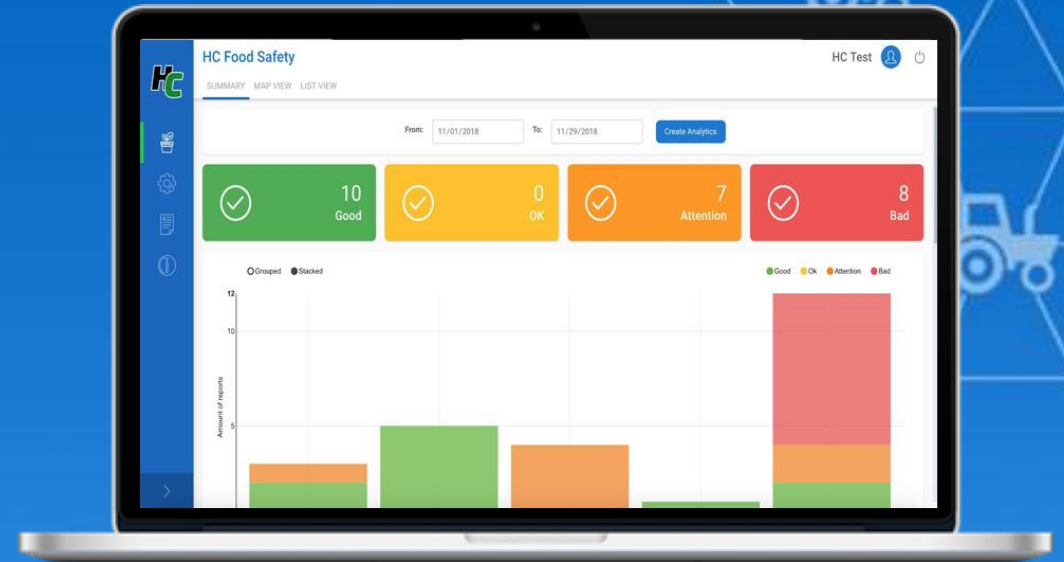

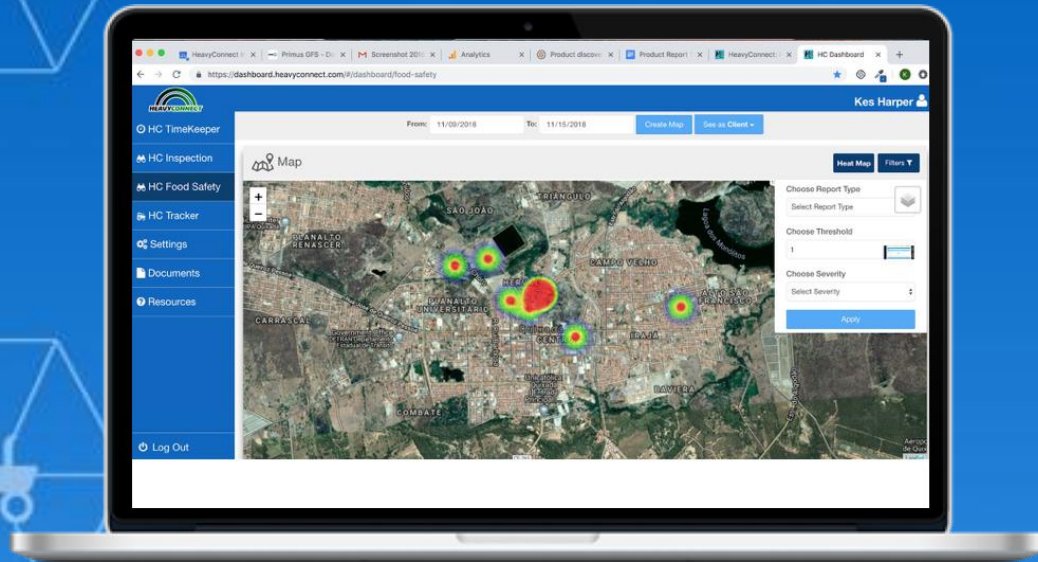

- Accurate
- Real-time
- Actionable
- Secure

The screenshot shows the 'Reports List' view of the HeavyConnect dashboard. The interface displays a table of reports with columns for 'Report', 'Date', 'Time', 'Location', 'Status', and 'Action'.

Report	Date	Time	Location	Status	Action
Report 1	11/01/2018	10:00	Location 1	Good	View
Report 2	11/01/2018	10:05	Location 2	OK	View
Report 3	11/01/2018	10:10	Location 3	Attention	View
Report 4	11/01/2018	10:15	Location 4	Bad	View
